Activities

Dances Aid Clubs

Dances provided both activities for clubs and entertainment for students. The Juniors welcomed incoming frosh to the school with the first dance of the year, the Incense and Peppermint Dance. Dances were held throughout the year after football and basketball games. They were sponsored by different clubs wishing to raise money. The Freshman Class brought back the semi-formal Christmas Dance. The dance was complete with a Mr. Joe Faith Santa, who took down orders for Christmas. A court was selected for "Who you would most want under your Christmas Tree". King and Queen were Gayle Fisher, and Randy Robinette.

Glad's First High-Q Team

High-Q came to Gladstone for the first time ever. The team was selected through careful elimination, and consisted of captain John Wong, Cathy Meyer, Patrick Meyer, James Reitz, and Cheryl Campbell.

Miss Bain, Coach, was very pleased with the performance of the team.

The first match was against a Taft team and ended 165 to 100 in Gladstone's favor. The second game against Cresent Valley was won by a score of 195-155. Gladstone's championship game against Jefferson ended in a close 165-175 loss, but due to a mistake of KGW, the game was recalled, and Gladstone played Madison. The game ended with a score of 305-195 in Madison's favor.

New Homecoming

Homecoming '73 was improved through all out school participation. Many new items were added to the activities this year including Greaser day, and a funeral march.

Greaser day consisted of students donning pleated skirts, bobby socks, and leather jackets pertaining to the styles of the 50's. During the lunch a soc-hop was held in the gym.

Before the bonfire a funeral march was led through the streets and a coffin for the Chemawa Indians was thrown to it's final resting place atop the bonfire.

Following a spaghetti dinner, the Gladstone Gladiators took up arms against a visiting Chemawa Indian team. The final outcome of 44 to 6 gave the victory to the Glads.

During halftime, the queen was selected from the Homecoming court; consisting of princesses Patti Sawyer, Cara Nardin, Terri Campbell, Babs Barrett, and the 1973 Homecoming Queen, Lisa Thompson.

Juniors Take Powderpuff

Once again the girls switched places with the guys in the annual powderpuff football game. The teams consisted of the Juniors, coached by Ms. Heeter, and the Senior team, coached by Ms. Vogt. Spirit was provided by male rally members which included Clay Means, Dave Mower, and Mike McKay. The Junior team was victorious with a score of 14-18. The game was sponsored by the Newspaper staff, and is held every year. This year's referees were Mr. Dick Baker, and Mr. Gery Weber. The game was announced by Mr. Joe Faith.

Christmas

The Christmas Program this year tried to add new events that would brighten the Holiday spirits for everyone.

Directed by Mr. Anderson was a puppet show, that described the disadvantages of losing the word "Happy".

Mr. Joe Faith headed the musical numbers by the chorus and band. Such songs as "Do You Hear What I Hear" and "Jingle Bells" were presented.

Returning for his second year, Jim Nicodemus played Santa Claus. Santa aided by the drill team, passed out candy and a few laughs to the smaller children.

Banquet Honors Good Students

The National Honor Society Banquet is one of the most important events to take place at Gladstone High School each year. The banquet is given in honor of all students who receive a 3.00 g.p.a. or better and is attended by the parents, the faculty, and the friends of the students.

The highlight of the banquet is the tapping of new members into N.H.S. Each incoming member is tapped by an old member and all new members take a pledge in which they promise to uphold the ideals of scholarship, leadership, and character. The pledge is administered by Gladstone's principal Mr. F. P. O'Brien.

Gladstone is one of the few schools in this area to honor student's academic achievement in such a special way.

Seniors Claim Spirit Crown

The senior class combined their efforts and claimed Spirit week for 1974.

Queen Gay Candee represented the senior class. Her court included princesses Lisa Cotton, Lula Orellano, and Joyce Schnaible.

Spirit week consisted of wall decorations, color day, bike races and assembly competition.

First place for wall decoration went to the seniors for their newspaper design. Second place went to the juniors with their replica of the world.

Andy Lauth took first place in the bike race for his senior class. Brent Cole took second for the juniors.

The purpose of Spirit Week is to promote school spirit. Through the activities between the classes, a strong school spirit is achieved.

The freshman took first for attendance at two basketball games. Attendance was also taken at the wrestling match, and girls and varsity basketball games.

The Gladiators played a winning game over the visiting Chemawa Indians Friday. During halftime, the queen was crowned, and with the ending of the game, Spirit Week 1974 came to a close.

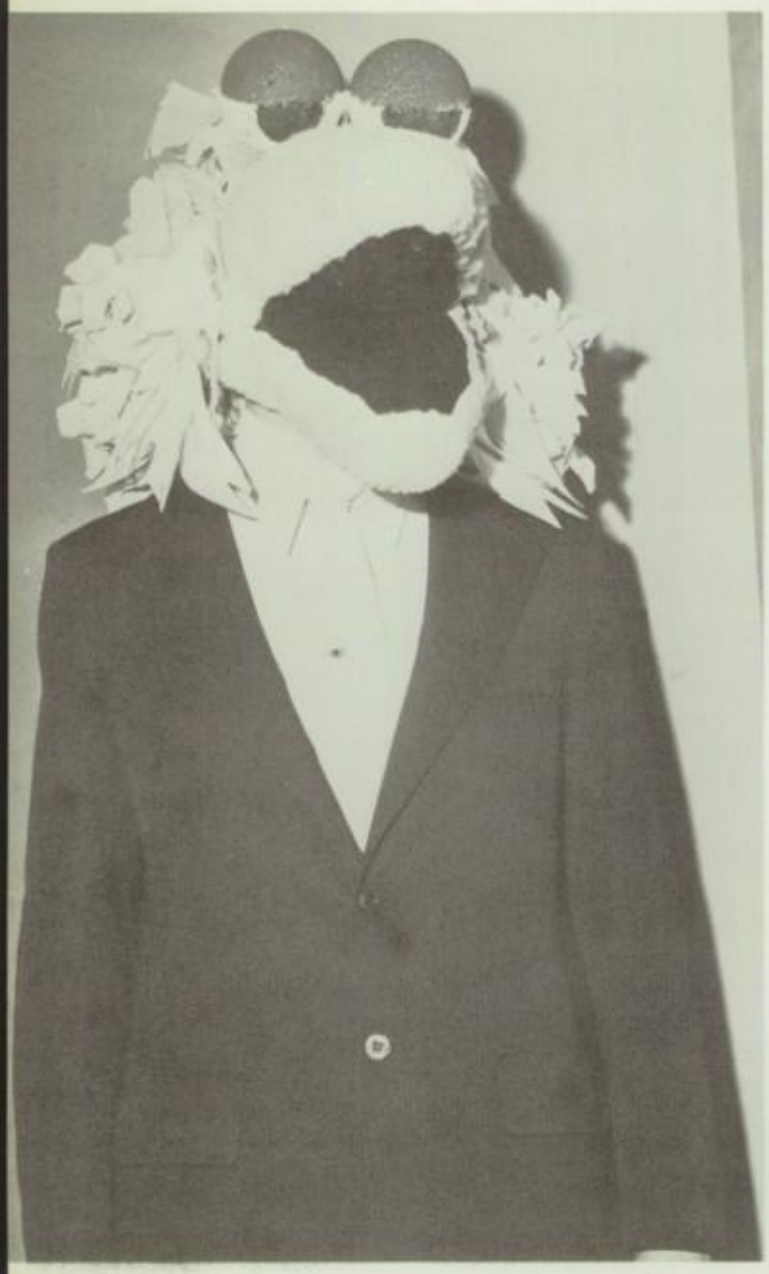
Nominating Comm. launches elections

The 1973-74 A.S.B. Nominating Committee worked for two weeks to select responsible people to run for each A.S.B. office. This years Nominating Committee consisted of P.J. Sawyer, Cara Nardin, Mike Johns, Karen Koch, Kelly Schroder, Cheryl Seaman and Dave Mower.

The election speeches were held on Monday, April 22. Voting was held the day after on Tuesday.

The 1974-75 ASB officers are from left, Steve Schroder, Vice-President; Lori Ruthenbeck, Secretary; Fred Glubrecht, President; Karen Streight, Assistant Treasurer; and Mike Johns, Treasurer. Good luck to all the new officers.



Sesame Street at GHS

The annual Spring Concert was held May eighteenth and featured the three choruses as well as the band and the Thespians.

The band played contemporary tunes such as "MacArthur Park", the theme songs from "West Side Story" and "Fiddler on the Roof" and classical music such as "Opus 50" by Kabalevesky.

The three choruses, Concert Choir, third period chorus and sixth period chorus, sang songs like "Let It Be Me", "I Don't Know How To Love Him" and many others.

The highlight of the show was a Sesame Street puppet show compliments of the Thespians with background music provided by the band.

The music was directed by Mr. Joe Faith and Thespians were directed by Mr. Andy Anderson.

Mai Fest Best Ever

May fourteenth was the big day for the Foreign Language Club as it held its' annual Mai Fest. Despite bad weather which forced the Mai Fest to be held indoors it was a bigger success than ever before. The money which the language club earned totaled at seventy dollars, more than any previous Mai Fest has ever brought in. The club members of the club voted to donate part of this money to A.F.S.

The Mai Fest is the foreign language students' attempt to bring a little bit of Europe to Gladstone. Each foreign language class is responsible for a booth. This year there were booths that sold root-beer, ice cream, various kinds of French soups and breads and many other delicious foreign foods.

This year each foreign language class picked a princess and the "May Queen" was chosen from among these. The princesses were Susie Vinson, Lisa Cotton, Marci Carroll, Laurie Carroll, Debbie Nelson, Kerry Proctor and the queen was Debbie Smith.

Queen Karla Reigns

"Precious and Few" was the theme of the Junior-Senior prom this year. The prom was held at the Portland Ramada Inn and featured the band, Vegas.

The money for the prom was raised by the Junior class who sponsored a car wash and a baked food sale. They also sold jewelry.

The color scheme of the prom was lavender, blue and white. The centerpieces which accented each table were little wicker carts with an arrangement of dried flowers which reflected these colors.

A record attendance of approximately one-hundred couples attended the prom, both students and teachers. All who attended agreed it was one of the most successful that G.H.S. has ever had.

The highlight of the prom was the crowning of Queen Karla Peckover.

Drama Department Changes Style

Changing from regular set and plays, the Drama department this year presented two reader plays, THE BRICK AND THE ROSE and SPOON RIVER ANTHOLOGY. Actors depended entirely on their acting ability to carry the meaning of the play. There were no props and no set.

THE BRICK AND THE ROSE portrayed a young drug user in the city, and how drugs affected and eventually destroyed his life. Special slides and lighting were used to carry the mood of the play.

SPOON RIVER ANTHOLOGY presented the life stories of the people in Spoon River. Each actor portrayed from two to five parts and in this play costumes and props were used.

The plays were offered to G.H.S. students free of charge.

Play Provides Comic Relief

In May drama participants presented a comedy for the first time in three years. "See How They Run" was a unique play in several ways. It was the first set in a play at G.H.S. to be made of cardboard and the first to be painted for black light.

The play opens in a vicarage where the neighborhood snoop (Julie Evans) is brought in by the maid (Cindy Martin) to see the vicar (Rick Marlow) about a problem. As usual the problem lies with his wife (Mel White). An old friend of hers named Clive (Jack Glubrecht) visits and poses as a parson because of his military duty. When the real parson (Bo Reitz) and a russian spy (Brent Cole) appear at the vicarage, an explanation is due to the Bishop (Jim Nicodemus) for the confusion.

The comedy, directed by Mr. Anderson, was the last play to be presented in the school cafeteria. All other plays will be presented in the new theater currently being built.

Spring Begins

Each year the Publications Department sponsors Cotton Week with the highlight of the week being the crowning of the Cotton Day Queen and Mr. Irresistible. This year the activities during the week were the selling of votes for Mr. Irresistible, a teacher auction, a clash day, where people wore clothes that clashed either in color or pattern, and a dance that was held on Friday night. This year the Cotton Day Queen was Danise McGinnis and Mr. Irresistible was Jerry King.

Leadership

Many will say, "Follow Me!".
But it is a significant few who will say,
"Take my hand and walk with me."
Which is the difference between being and not.

Officers strive to serve students

The ASB officers started out the school year by presenting the student body with a survey to see how the students felt about their school government and what type of things they wanted to see changed in the schools system. As a result of the survey the officers found that open campus was an issue that quite a few students wanted. They then worked on this for a long time and then presented a proposal to the school board only to be turned down. These were just a couple of the things the officers did to better the school for the students in the school year of 1973-74.

Frosh Rally Shows Enthusiasm

The activities this year were many for the Freshman rally. Not only did they yell and chant at freshman football and basketball games, but also attended varsity football and basketball games.

Besides making posters for the games, they also made them for Spirit Week and Homecoming. During Homecoming, they helped sell pins and ribbons for Pep Club.

This energetic group consisted of Captain Rae Caldwell, Patti Jo Stuart and Theresa May. They commented that this year was a very beneficial and rewarding year, and helped them to get involved.

LEFT: Freshman rally, Captain Rae Caldwell, Theresa May, and Patti Jo Stuart. LEFT: Wrestling rally, Captain Patti Mahar, Leanna Nelson and Julie Hornych.

Rally Cheers on Grapplers

The wrestling rally had a full schedule this year. Captain Patti Mahar, Leanna Nelson and Julie Hornych attended the NCA rally camp during the summer where they earned two ribbons and collected one hundred yells and chants for the coming season.

They attended all away and home varsity and J.V. matches, all home freshman matchs, all tournaments except Philomath because of weather. They also cheered at the District Tournament.

This year the wrestling rally also helped the varsity rally during the pep assemblies by helping to lead yells and plan activities for the teams.

J.V. Rally Small, But Spirited

Along with the Varsity rally, the J.V. rally also kept busy. Besides attending all J.V. football and basketball games, they also attended all varsity football and basketball games, sports banquets, the Jamboree, the district basketball game, plus the rally clinic that was held here at Gladstone High.

Their money making activities included selling cards to help pay for their uniforms.

The J.V. rally consisted of Captain Marie Twombly and Kathie Gibbons. Although there were only two members this year, they did an excellent job in generating spirit for the J.V. teams.

Cheerleaders Earn First Trophy

The Varsity rally kept busy this year with money making projects, such as a cake walk, a baked food sale, a car wash, and selling cards. They earned $120.00 from these activities.

They attended the National Cheerleaders Association Camp, where their spirit and enthusiasm was proven by winning 5 ribbons, and the N.C.A. spirit stick, and a trophy, the first ever to be brought home to Gladstone High School by a rally squad. The some sixty chants and yells learned were used to keep the pep and spirit up at the games and pep assemblies.

The squad consisted of Captain Danise McGinnis, Susie Vinson, Trudee Mckenzie, Susie Beutler and Leslie Ziegler.

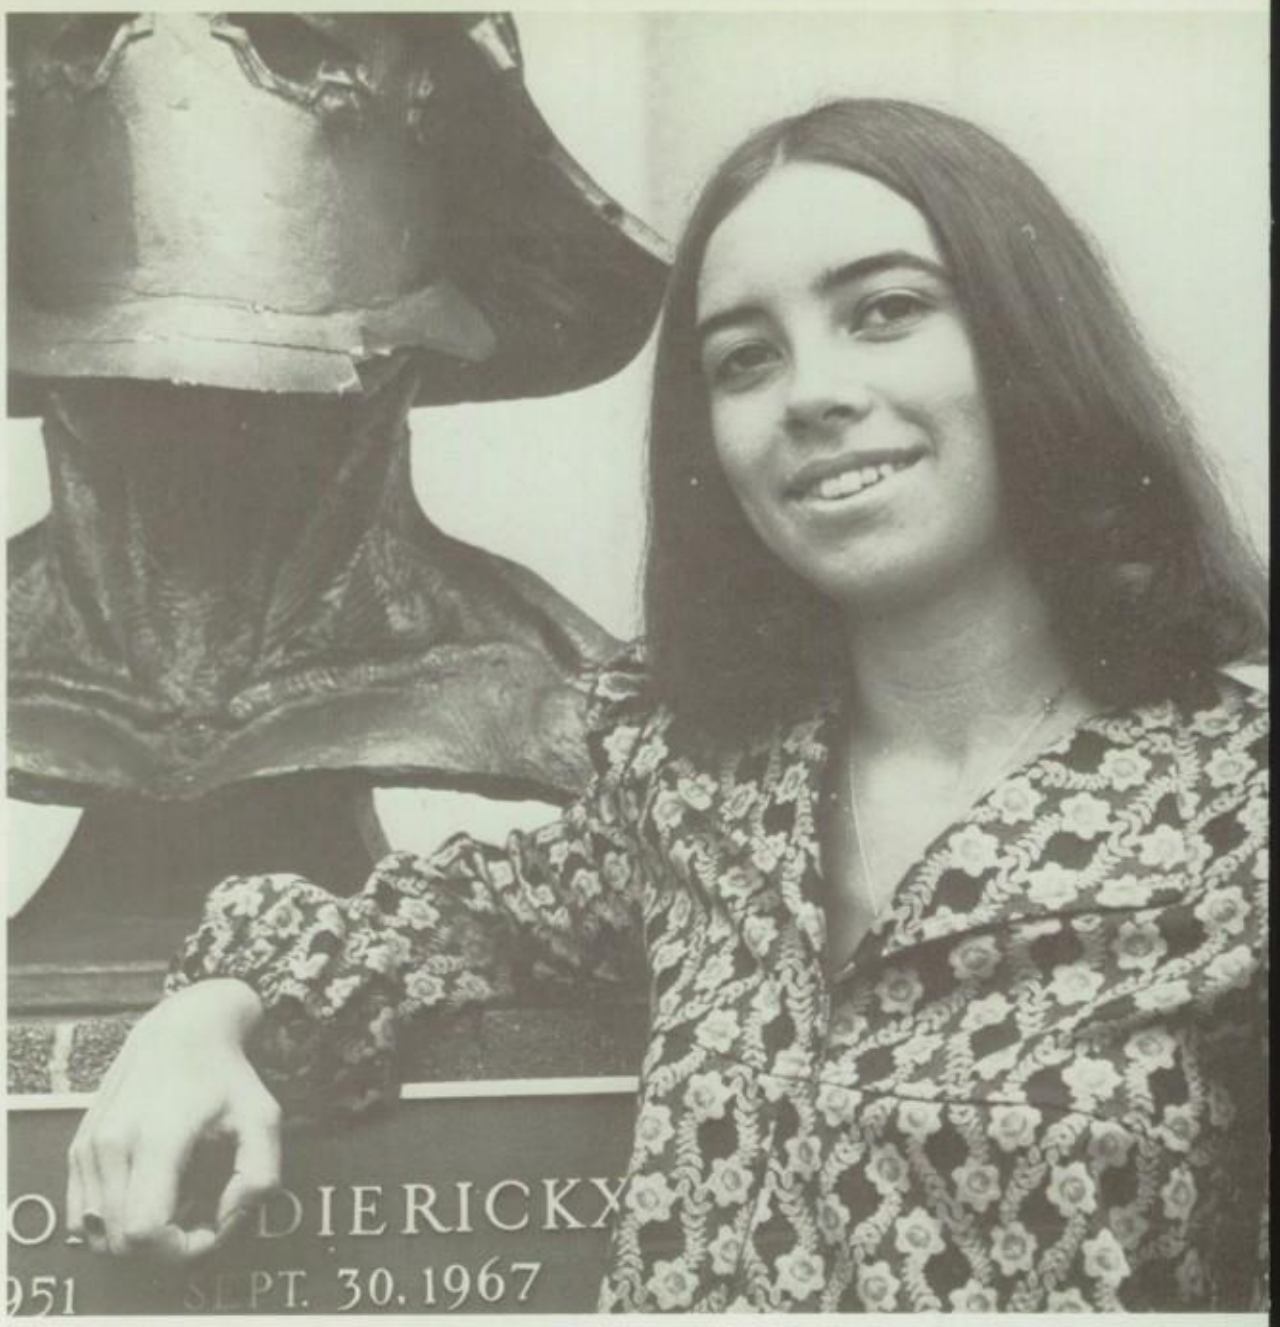
Babs Barrett enjoys G.H.S.

Fun, laughter, sun and rain, and rain, and rain, and rain are just a few of the things I've experienced during my year at G.H.S.

I've done some things I'd not even dreamt of before; playing powderpuff football, being on homecoming court, being tapped for Honor Society and staying up all night at slumber parties! These are all things unique to the United States. As well as the good times there have been some hard times, one or two pangs of homesickness, but they've soon passed. My year has been one I'll always remember and it's because of the great school you have here at Gladstone and the people that make it up . . . that's you, the students and faculty.

So cheerio for now old chaps and don't forget to come and have afternoon tea with me in London one day, there will always be a welcome for you, so see you in London.

Babs Barrett



Sixth Annual A.F.S. Day

March fourth was AFS Day this year. Each exchange student was accompanied by a G.H.S. student for the day. The AFS'ers went through the usual routine of coming to school with their host/ hostess and then spending the day visiting classes and telling what their country is like.

At lunch time this year the second year French class served the exchange students and the hosts a special lunch in the Home Economics room.

After school during activity period there was a question and answer time where the kids could just talk casually to the A.F.S'ers. This question and answer time was arranged because of a lack of A.F.S.'ers to talk to classes that day.

In the evening the A.F.S.'ers ate dinner with their hosts and spent some time with their families. After dinner everyone went to Farrells for a party. The evening ended with a grand tour of Mrs. Flemings house and a little bit of time to just relax and talk about the day.

Council works on student issues

Student Council worked on many issues this year. Open campus was the major issue of the year. Due to community opposition the proposal was shot down. Activity Request Forms (ARFS) were also processed by the Student Council as part of their duties. The Council strived to serve the students this year by representing the whole student body through surveys and other methods of letting the students voice their opinions.

Glads Tie

"To me the season was very successful even though we didn't win a state championship and we were only 5 and 3.

Due to several day injuries, we lost the Burns and Woodburn games. Injuries against Woodburn really hurt us as we were with the complete services of five starters.

After three losses in a row, it would have been easy to give up, but this team did not give up. Instead, they came back and won four games in a row and tied for the league championship.

I enjoyed coaching this team as much or more than any team I have coached. They showed me something in that they never gave up."

"The 1973 junior varsity football season was an exciting one for players, coaches, and spectators. In five of the six games played, the margin of difference was one touchdown or less. Two games ended in a tie, another tie was resolved in favor of Gladstone by using the Kansas Plan.

With a record of 4 wins, 0 losses, and 2 ties, the team has much to proud of. Everyone on the team got in a lot of playing time and this, together with the winning attitude developed during the season, should brighten the outlook for the varsity team next year. We're really looking forward to many more winning seasons at Gladstone."

Large Frosh Team Enthusiastic

"The class of 1977 freshman football team was the strongest ever in terms of numbers. This year the team numbered thirty-seven members. The players were also strong in size and potential. The major difficulty that plagued the team was their inexperience. Few of the team members had played football before.

The improvement in skills and team attitude was tremendous. The team record was two wins and four losses, but despite the record, the freshmen played hard in each game and kept up a winning attitude. As the group gains in confidence and acquires more experience, they will become a proud group of athletes. We're looking forward to their continued participation in all athletics here at Gladstone."

Underclassmen Paint Encouraging Future

"The 1973 cross country season may well have been the last losing season for awhile.

The "Happy Rock Harriers" graduated the only team capt. Kevin Johnson from a relatively young-inexperienced team that held their own throughout the league.

Most valuable runner for the second year was sophomore Dave Brown who led the frosh and sophomore winners to the North Marion J.V. championship and gave the school its first cross country trophy ever.

Frosh Greg Mischell and Ron Putz earned varsity letters with super efforts as the #3 and #4 runners on varsity. Putz also earned the highest individual award on a state-wide basis by placing second in the Oregon AAU 14-15 year old championship at Eugene in November.

Volleyer's Excel in a Successful Year

The 1973 Girls' Volleyball season was very successful in that this year's team brought home the first volleyball trophy.

Due to the large turnout of freshmen, a frosh team was organized. Those who played on this team were; Lisa Brown, Kay Mecklem, Karen Koch, Debbie Rowe, and Kaye Roesbrock. Though they didn't play as many games as the JV's and Varsity, they did gain a lot of valuable experience.

Over all, the Varsity record was good, losing their only league match to La Salle. Aside from the long practices after school each day, the girls journeyed to Portland State to watch several college level volleyball matches.

Wrestlers Young; Have Good Season

The 1973-74 wrestling season was very enjoyable because of the total positive attitudes of the wrestlers. They knew we were young and that we had to do a lot of work to be respectable and they far exceeded respectability. The overall dual and four team tournament record of 16-4 shows a very successful season for these wrestlers. Five of these wins and one loss was to AAA competition. On top of this the league dual match record was 5-1. Highlights of the season have to be first place in the Glad Dad Tournament and the upset win over Woodburn who had not lost a dual match in 72 matches. The district tournament found us down and we ended up third in district which gave us a tie with Cascade for second place in League. The state tournament ended as a tie for tenth in team scoring, with individual placers, Casey Lakey was second at 178, Richard Holliman fourth at 191, and Bob Bryant fifth at 141. Don Zellner and Tony Fredrickson were edged out by very close scores. With three seniors, five juniors, nine sophomores, and fourteen freshmen I classify this an outstanding season for this young team.

As we look at next year we have to be enthusiastic with thirteen returning lettermen, six returning district placers, two returning state placers and a great bunch of backup men to do the pushing and replacing, many of who placed in regional and state junior development tournaments. We look forward to a very enjoyable and successful year in the 1974-75 season.

The 1973-74 J.V. wrestling team was made up primarily of freshmen with very few sophomores and juniors. With limited experience these competitors did a good job. In only one duel match we've completely dominated. Because most schools that we wrestled had incomplete teams we did not keep a season record. Some of the J.V. wrestlers are:

Glads Finish Third

Beginning the season with only one returning varsity letterman left a few doubts in our minds as to what kind of basketball team we would have this year. Facing the reality that we weren't going to be a powerhouse in the league on state competition, we set as our goals for the year: (1) Have a winning record; (2) Defend our championship of the Happy Rock Hoop Holiday; (3) Finish in the top four spots in league to get into the district tournament; (4) Get into the state tournament.

We were successful in winning the holiday tourney and finishing third in the league to get into the district tourney. With the loss to Woodburn in the district playoffs we lost a chance to finish with a winning record or getting to the state tournament. I really believe that as the season progressed this team began to believe in themselves and proved they could stay on the same floor with the best teams in the state.

Ability Shown

This years J.V. team had a good season finishing with a 13-7 win-loss record. Within its league, the team finished in third place behind Cascade and league champion Woodburn. Though losing twice to Woodburn, the J.V.'s were defeated only in the last few seconds of both games.

The J.V. team was characterized by its competitive attitude along with the desire and ability to play intelligent basketball. Few teams during a season are as adept in learning and utilizing so many different offensive and defensive strategies. Further success lies in maintaining a competitive attitude and a continued willingness to learn and benefit from mistakes.

It is sincerely hoped that each J.V. player has enhanced his knowledge and skills of the game and that basketball has helped him in some way become a better person.

Coach Whelan

Frosh Learn Skills; Improve Game

The freshman team worked hard on developing the fundamental skills necessary for a sound basketball program. Accepting the freshman program as the foundation, these players became aware of the importance of learning to correctly execute these basic skills. They approached each practice session and each game with a desire to improve, and improve they did. The real measure of their improvement must not be judged by this season alone, but must be evaluated as they progress through the higher levels of competition. If success can be equated to improvement, this group will become successful.

Varsity Earns First Trophy

The girls varsity basketball team ended their 1974 season by placing second in the league and by bringing home the first trophy ever won by a girls basketball team at Gladstone. The cager's championship trophy was earned in a tournament which took place at Catlin Gabel. Although the whole team deserves praise for their efforts, two outstanding players in this tournament were Lori Ruthenbeck, junior and her sister Cheryl Ruthenbeck, freshman. For her performance during the entire season, Lori was named to the 1st team all-league. The team placed second in the league after beating North Marion. Defensive play made the difference in this game with Lisa Thompson having her best game of the season.

Next year we should have an even better team and season with almost every girl from the varsity and junior varsity squads returning. The J.V. team finished the season tied with Chemawa for 2nd place in the conference.

Frosh Baseball has Good Turnout

Gladstone Frosh had a turnout of 15. Every boy that turned out played at least 3 innings in every game. The leading pitchers were Kevin Scheehean and Ken Seegar. Scheehean's record was 2 wins and 0 losses, while Seegar was 2 and 2.

Leading hitters were Chris Webster, Mike Smith, Bob Hanks, and Kevin Scheehean.

Because of bad weather the frosh team was able to play only 6 games.

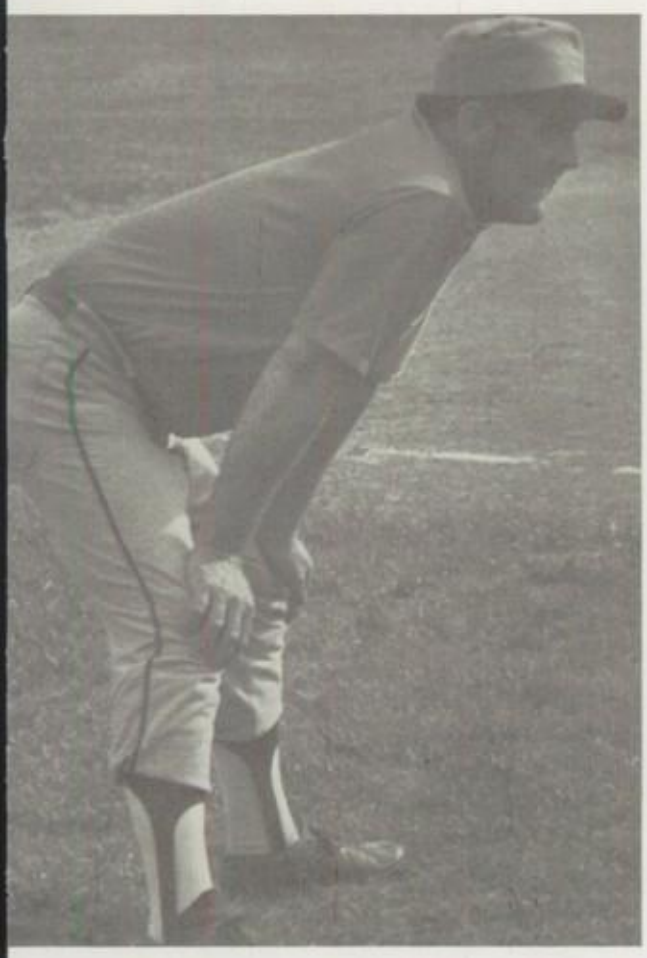
"Building Year" for Glad Baseball



Baseball is said to be a game of inches. If the base had been to the left of the shortstop by an inch or two, it would have been a hit. If the left fielder had been an inch or two closer to the center fielder, that screaming line drive might have been a triple instead of a fly-out. This seeded to be the story for the Glad baseballers this year. We hit the ball solidly, but it seemed to be right at someone, and a rally would be killed for a lack of an inch or two.

Our win-lose column was not so good this year, so I have been asked, was our season a good one. I think and feel we had a good season regardless of what our win-loss record says. We knew this was going to be a building year, and build we did! Our infield was young except for two seniors. Our sophomores made mistakes at the first of the year, but as the year progressed we got better, and better, and better. Our outfield began to haul down fly balls that were sure hits, and began to throw men out on the bases. Last but not least, our pitching staff started to improve. They began to pitch with heart instead of just arm.

Yes! I feel our season was a good one. We improved steadly as the season went on, catchers made better throws, pitchers, pitched better games, the infield made less errors, and the outfield covered more ground, and batting averages increased, I am looking forward to an exciting season next year.

To the ball players of this year's team. I would like to say thanks for a good season, and for not quitting when the going got tough. You are winners.

Track Effort Outstanding

This was a season which was especially gratifying in terms of the individual performances and improvements. Although we lacked the overwhelming type of individual of previous years we had considerably more depth in areas that had been somewhat neglected in the past.

The distance team, headed by seniors Kevin Johnson and Mike Kearns, contributed five new school records and seven class records. Kearns erased all three school and senior class individual distance records and spearheaded the successful assault on the distance relay marks.

The individual scoring race which determines the "Most Valuable Track Man" was won handily by Frosh sprinter-hurdler Mark Hall. Hall scored 93 11/12 points prior to the district meet to take the honors from letterman Craig Lundgren, Mike McKay and Mike Kearns who were tightly grouped for runner-up scoring honors.

Hall was joined by frosh distancemen Tim Lundgren and Greg Mischel in rewriting the class record book, each accounting for two new individual records. All three ranked among the All-time best frosh performers in the State's history. In the last ten years only three AA athletes and one AAA athlete had run a better time for the high hurdles than Hall.

School individual records were set by Kearns in the 880, mile and two mile runs. McKay tied the school record of 6'3" in the high jump. The team hung up new relay records in the two mile, distance medley, high and low hurdle shuttle relays.

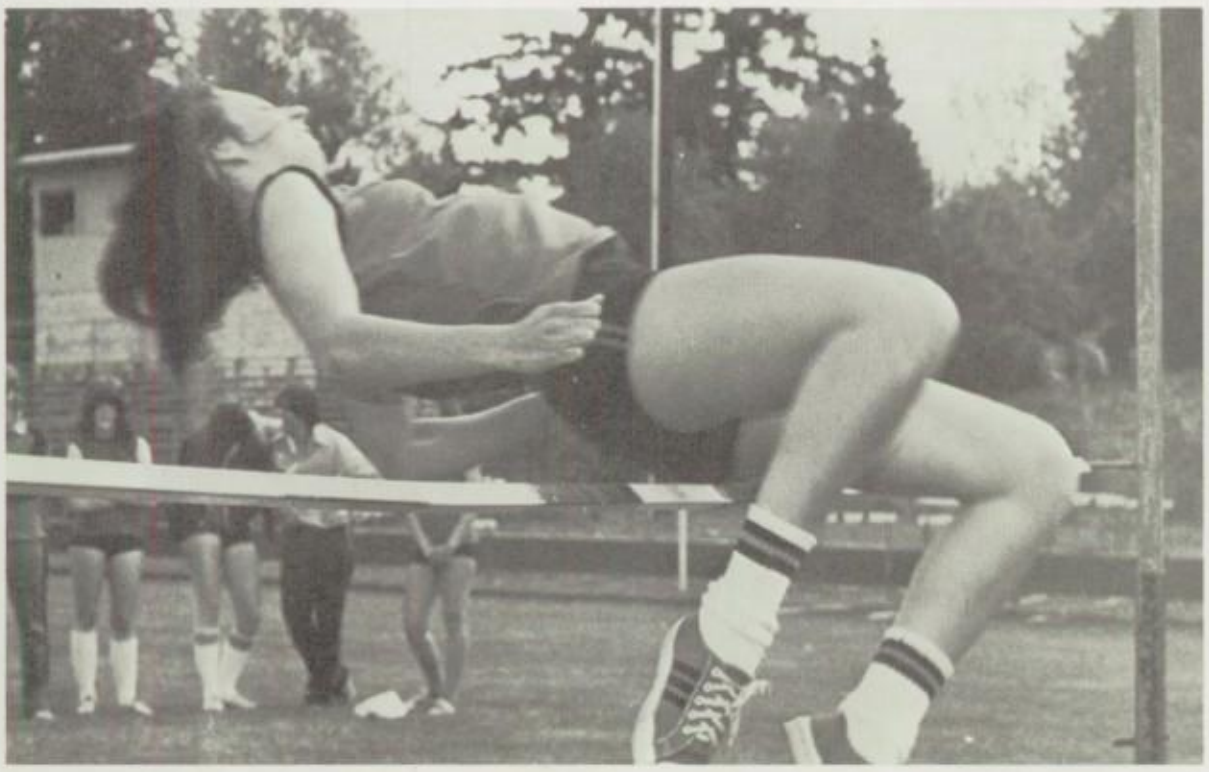
Girls Improve Through Effort

The girls' track team worked hard preparing for track meets this year, and their efforts were rewarded by the impressive record they received this season.

When they went up against teams such as Stayton and Cascade in dual matches, they totaled five wins and four losses which allowed them to finish in third place at the district meet.

The team is coached by Ms. Joan Heeter, who is very proud of the effort the girls have been placing on self improvement for the '74 season. This was the first year that the girls have joined the boys during the meets and although the meets were perhaps a little too lengthy, going to almost 6:30 p.m., the girls did get the recognition they deserved.



Girls Compete In State Meet

"Girls' track was improved through team effort, but also through girls making individual records.

Four girls from the Gladstone team competed in the state track meet. They were: Barbara Bell and Bonnie Warnke in Javelin, and Teri Fluharty and Becky Dorgain in High Jump. Although none of the girls placed in state, their efforts were well recognized as outstanding."

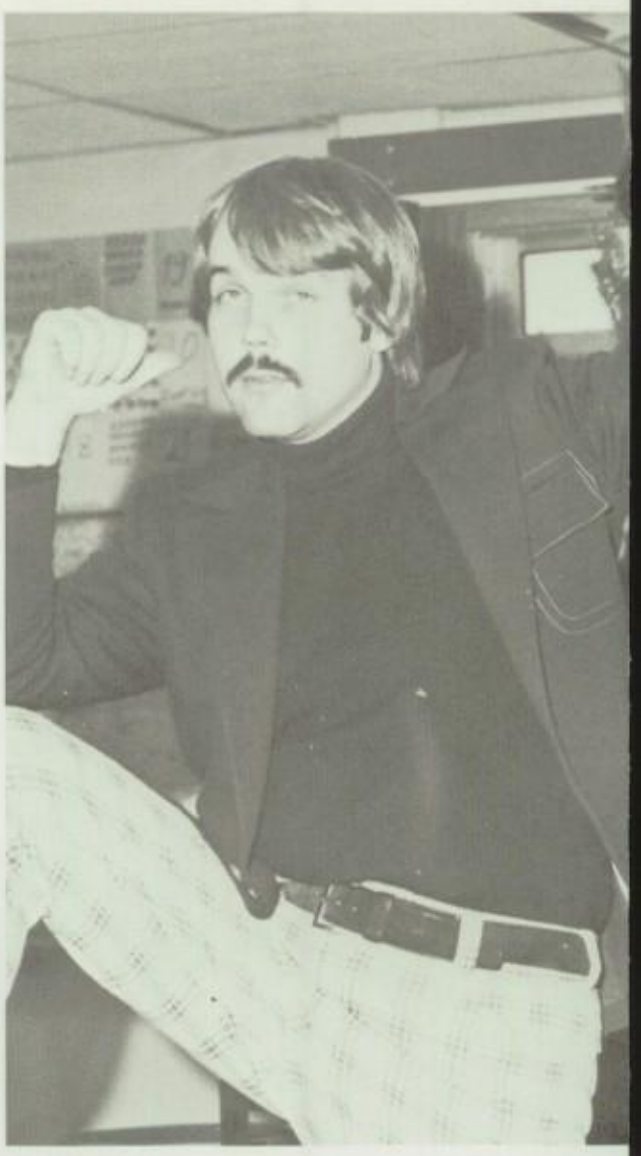
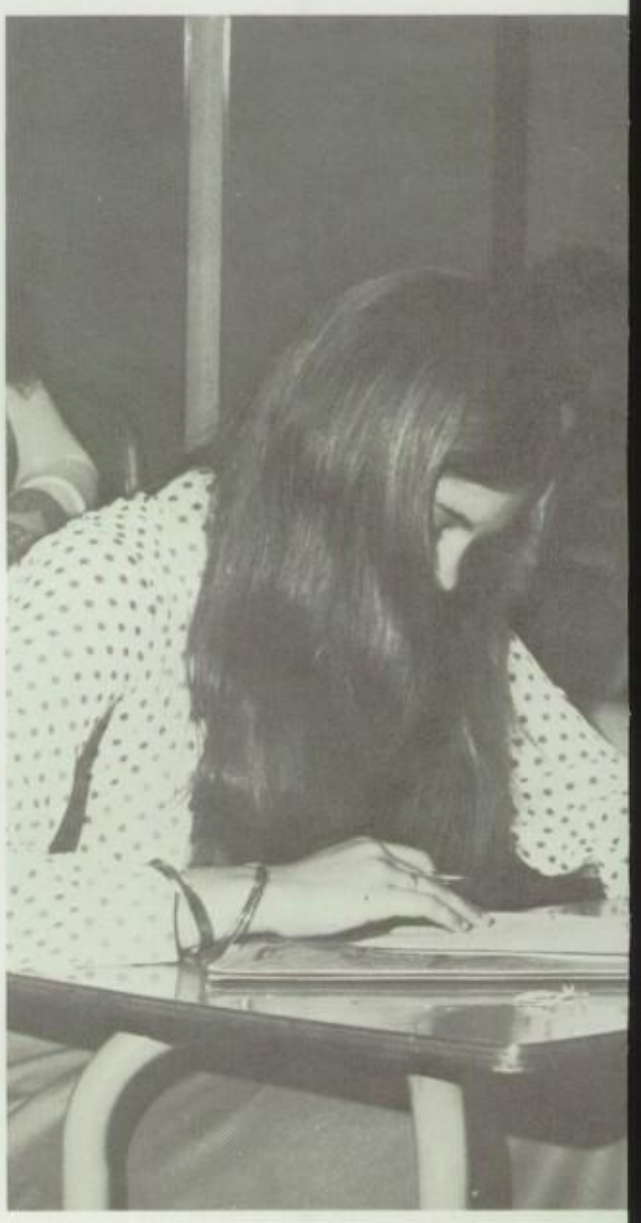
Evaluation Emphasized in English

Goals of the English Department this year were to re-evaluate the English program in lieu of forth coming changes in graduation requirements and career education.

The Freshman year revolves around a study of linguistics, the short story, and several novels including WHEN THE LEGENDS DIE, BLESS THE BEASTS AND THE CHILDREN, SOUNDER, and THE BUTTERFLY REVOLUTION, while the Sophomore year concentrates on shorter, more varied units, like a study of comics and mystery and detective, ANTHEM and science fiction. The Junior program remained more traditional, centered around American literature. The Senior year was composed of a nine weeks film study unit and several student chosen activities.

There was a new addition to the English Department this year with two new teachers joining the staff, Miss Beverly Bain and Mr. Dale Griffith. Mr. Griffith teaching Freshman, Sophomore, Junior, and Senior English and Miss Bain teaching Juniors only.





Cooking Covered in Foreign Languages

Once again this year Mr. Dick Havens teacher of German and Mrs. Marilyn Flemming teacher of French headed the foreign language department. Four years are offered in each language.

First year classes in German teach the basic fundamentals. This year they baked German cookies called S-Gebäck. Highlights of second year German were continuing fundamentals and a German dinner was prepared. There were no third or fourth year classes this year.

Third and fourth year French students memorized plays and put them on in class. Once a month in second year French they use the home economics facilities to prepare French dinners with delicacies such as Yuletide logs, Crepes', which are thin cakes filled with meat or cheese or jam, and other French cuisine. First year deals with the fundamentals of the language.

Background Taught Through Histories

All being required classes, World Geography, under Jim Powell, US History under Gery Weber, and Modern Problems, under Wes Cook, were offered to freshmen, juniors and seniors respectively. Through these classes, students study social and cultural backgrounds, the history of our country and its geography, and also our economic-political system is covered.

There are two Senior semester electives, they are Psychology and Marriage and Family. Psychology is taught by Mr. Chuck Adams, Marriage and Family by Mrs. Katherine Hardt and Mr. Dick Baker.

Marriage and Family is to teach students the different duties in a marriage and covers such things as budget planning, family planning and is highlighted by a mock wedding.

Psychology is based on understanding one's self and learning the skills necessary for social adjustment.

Teachers Plan for Career Education

Various forms of Business Education at GHS are Typing I and Typing II. General Business is offered to students and teaches the basic economic principles like taxes and banking. Accounting covers bookkeeping and the whole range of this field.

Other classes in the business department are Shorthand I and a further study of it in Transcription. Office Practice is in the curriculum, teaching students to use the different machines you would come across in office jobs.

Teachers in the Business Education department welcomed a new edition, Miss Beverly Bain. Teachers returning were Mrs. Joanne Neuschwanger and Miss Dorothy Reep. One of the goals of these teachers was to adapt their planning and classes to the up and coming career education.

Various Sciences Aid Knowledge

There are various Science and Math classes taught at Gladstone and the qualified teachers for these classes are Mr. Tom Owens, Mr. Rod Feigner, and Mr. Richard Whalen. Math teachers include Mr. Tom Vaught and a new addition Mr. John Russell taking Mrs. Shively's place.

Courses offered as electives are Physical Science, Chemistry and Physics. Physics is the study of physical concepts in nature such as gravity, electricity, light, etc. Chemistry deals with the study of atoms and chemical changes related to them.

Biology is a required Sophomore course which touches upon all the different aspects of Biology.

Math classes in our curriculum are General Math, and Math Analysis. These classes give students the knowledge to meet their basic needs by teaching and introducing the basic concepts and principles of math.

Art Develops Student Creativity

Many and varied are the art classes at Gladstone and hopefully they'll expand with the new building. The curriculum includes Art I, Art II, Art III, and Commerical Art.

Art I is used to teach the basics of art. Art II is mainly concerned with the basics and Art III is going into and furthering the basic interests of the individual student. Commercial art is mostly interested in drawing and students generally teach themselves with the help of Jim Powers. Mrs. Carol Costi is also a teacher of art.

Photography teaches pupils the basics of taking, printing, and development of pictures. This class is under the direction of Ms. Linda Vogt. Students in this class are usually asked to take pictures for annual and newspaper the next year.

Writing Abilities Show in Classes

The goal of the Publications Department is to publish the ROAMIN' SCROLL every three weeks.

This year the department's activities included publishing the newspaper, the student directory, and the LAUREATE. The LAUREATE is composed of original student writing in the form of poems, songs, and short stories. The Publications Department sponsors Cotton Day and this year they also sponsored the powderpuff football game and a pumpkin carving contest.

The main goal of the Annual Staff is to meet its several deadlines and to put out an annual which will accurately reflect the feelings, attitudes, and activities of the students at Gladstone High School.

Journalism Students Aid Publications

The Journalism classes under the supervision of Ms. Linda Vogt learn the basic techniques of news story writing and publication. Learning to write copy, captions, and the various different types of stories are the skills which the Journalism I students hope to accomplish. After this basic training in journalism, many students are encouraged to move on to more advanced journalism study and to be a member of the newspaper or annual staffs. The classes devoted to the publication of the annual and newspaper are separate with the annual under the advisorship of Mrs. Janice Harwood.

P.E. Provides Physical Strength

Improving physical strength and indurance is the main goal of physical education classes. Developing personal skills and coordination marked the students progress toward good physical fitness. Attitudes, sportsmanship and a competitive spirit are stressed through the program.

Activities such as archery, golf, track, baseball, and football were all part of the P.E. program.

Head instructors include Mr. Steve Stratton, and Ms. Joan Heeter.

Physical Education is a required course for freshman and sophomores. Advanced classes are offered for interested juniors and seniors.

Pep Club and Drill Team Provide School Spirit

The objective of the Pep Club is to promote spirit.

Pep Club members attend all home games and organize the rooters busses to away games. Among the year's activities, the club organized Spirit Week and sponsored the Spirit Week dance. They also sold Val-o-grams on Valentines day, sponsored poster parties, sold spirit buttons and ribbons and organized joint activities with the athletic teams. These activities included such things as pep assemblies and the various sports potlucks.

The officers for 73-74 were Kathleen Ellis, president; Julie Sirpless, vice-president; Karen Streight, secretary; Gayle Fisher, treasurer; Lori Cox, sgt. at arms; and Terri Campbell, historian. Mrs. Jo Anne Neuschwanger is the faculty advisor. .

Instead of being an extra-curricular activity, this year the Drill Team was made a class in the regular curriculum.

The drill team, under the supervision of Mrs. Audrey Cotton and Mr. Joe Faith, performed during half-time at the football games and at some of the basketball games. This year everyone was pleased with the marked improvement in the performance of the team.

Thespians and Speech Squad Combine Efforts and Experiences

Presenting their two main productions and promoting dramatic activities within the school and community was the goal of Thespian Troupe 2528. Mr. Andy Anderson was the advisor of these talented and hard working individuals. Each person has been required to work with stage productions, either on or off stage, for one-hundred hours before they can become a member.

This year's officers included: Jack Johns, president; Fred Glubrecht, vice-president; Melanie White, secretary; Cara Nardin, treasurer; and Cheryl Seaman, historian.

Although membership was down from last year, the spirits of the Speech Squad were as high as ever in the hope of bringing a few trophies back to G.H.S.

The squad limited their number of tournaments to one a month in order to allow the members more time to prepare and to enable them to achieve the high quality they expected of themselves. One weekend tournament in January was attended by about twelve students and there were several ratings of excellence.

Under the new supervision of Miss Bain, the squad has grown into a closer unit. Officers were elected and they are as follows: Mike Johns, president; Luana Gordon, vice-president; and Robin Anderson, secretary-treasurer.

The most important speech tournament attended this year was held at the University of Portland. This contest has the most state-wide participation, the toughest competition, and takes the most preparation time of any tournament in which Gladstone participates.

Band Provides "Best Music"

"To provide the best music in the Capitol Conference" was the goal of the band this year according to Mr. Joseph Faith. Under the direction of Mr. Faith, the band performed in the Christmas Concert, the Spring Concert, and the Pop's Concert.

Pop music was played as much as possible, especially during pep assemblies, all home football and basketball games, and wrestling matches.

To be a member of band or stage band, a person must be able to read music and must have had some experience in playing an instrument. This year the band took a more active interest in deciding how much and at what activities they would like to play. Since Gladstone High School has no orchestra, the band is a much appreciated organization.

The officers of the band are Gary Steffen, president; Fred Glubrecht, vice-president; Fritz Sellon, secretary; and Janell Fisher, treasurer.

Art Club Aids Christmas Concert

Working on the sets and the designs for the Christmas Concert and the Spring Concert, were some of the activities of the Art Club this year. Because of the club's increased popularity this year, a full round of officers was elected. They are as follows: Barbara Bell, president; Gini Englet, vice-president; Cathy Meyer, secretary; and Charlie McDonald, treasurer.

With the support of Mr. Jim Powers, advisor, a wide variety of activities were experienced by this group. They took a field trip to the zoo in the spring for sketching, and they visited various art galleries, museums, and commercial artists' studios. For the Mai Fest, the ArtClub had a booth for the sale of some student art projects. Through all their activities the motto was "Art is for EVERYONE."

Traveling Concert Choir New Addition

A division and change was experienced by chorus members this year. Instead of two choruses as last year, a third was added, cutting down the size of all. The three choruses were: the advanced choir, (the only traveling choir), the all freshman chorus, and the beginning chorus.

All of the choruses performed at their two major concerts, but the Concert Choir visited the West Linn Inn, the Civic Auditorium as well as their other performances in Portland and the surrounding area.

Much of the music used was from popular musicals and works from contemporary artists.

The requirements for Concert Choir, as set by advisor Mr. Joseph Faith, is to personally tryout and to be able to project your voice. Officers for Concert Choir are: Frank Lednicky, president; Bob Bryant, vice-president; Danise McGinnis, secretary; and Leslie Ziegler, treasurer.

Photography Services Used; Science Researched

Giving students an opportunity to pursue photography as a hobby was the major purpose and motto of this year's Photography Club. The main activity was to print pictures for the faculty members and the students. Members also sold pictures of the powderpuff football game. A highlight during the year was their trip to the zoo in the spring. The requirements for membership were an interest in photography and having the owndership of a camera. The club was under the direction of Miss Vogt.

The Gladstone High School Science Club has given its members the opportunity to do individualized research and to promote among other students a greater interest in scientific endeavor. The main projects pursued by members were field trips to places of mutual interest and the private studies done by each person. To become a member, a student must have an interest in science as a hobby or an interest in sceince as a future occupation. The advisor of the Science Club is Mr. Tom Owen, teacher of physics and chemistry. Science Club is one of the few clubs where individual rather than group effort is encouraged.

Girls' League; Friends

Girls' League broke the tradition this year by not having the opening autograph party. However, they continued to promote an attitude of friendship throughout the school.

The main activities which highlighted the year for the Girls' League were: voting for "Girl of the Month" as well as for "Girl of the Year," the Christmas potluck dinner followed by Christmas caroling, ice skating, roller skating, selecting senior big sisters for freshman girls, and selling licorice at noon in order to make money for their projects.

The officers were as follows: Sue Wills, president; Debbie Gress, vice-president; and Patti Sawyer, chaplin. Each class at Gladstone selects people to represent them at the Girls' League meetings. The senior representatives were Danise McGinnis and Melanie White. Pam Harvey and Carol Blake were the junior representatives. Not shown in the group picture were sophomore designates Pam Rice and Laurie Wimmer. The frosh were represented by Linda Smiley and Lorraine Davies. Mrs. Kathryn Hardt, girls' counselor, is the advisor for Girls' League.

Business, Homemaking Skills Strengthened

To develop business leadership and strengthen the leadership qualities in the members are the main objectives of F.B.L.A.

The members were kept busy this year with many money making activities and participation in raising funds for such charities as the March of Dimes. To get a better view of the business world, F.B.L.A. members also took field trips to such places as banks, hospitals, and secretarial or business schools.

The requirement for membership in F.B.L.A. is that the student be enrolled in, or has taken at least one business course.

Officers included Sidney Lane, president; Charlie McDonald, vice-president; Gay Candee, secretary; and Eunice Wong, treasurer. The faculty advisor is Miss Dorothy Reep.

The future Homemakers of America had a very active year that included such activities as sponsoring Western Day, selling Halloween and Valentine cookies, serving at all sports banquets, and going on field trips to such places as Powers Modeling School.

The purpose of Future Homemakers of America is to develop homemaking on all levels and to encourage and promote home economics.

The officers were Debbie Smith, president; Becky Shipley, vice-president; Roxy Nealeigh, secretary; Terri Flues, treasurer; and Kerry Proctor, historian. Mrs. Linda Kline is the faculty advisor.

Ski Club Becomes Official Organization

This year has been one of many changes for ski club: increased size, an official constitution, and an increased amount of participation within the community.

The main goal this year is to earn funds. Through the sale of Christmas trees and other projects, the costs of going to Mt. Hood Meadows, plus the annual weekend trip to Bachelor Butte in Bend, will be cut considerably. The hope is to encourage students to enter into a sport which has always been an expensive one. Lessons, competition, recreational, and cross country skiing are the areas now available to interested students, whether a novice or a pro.

Officers include: Andy Lauth, president; Vicki Thompsen, vice-president; Susie Johnson, secretary; and Willie Long, historian. With the help of advisors Jim Powell and Tom Owen, the officers set a good example by showing a desire to ski and a respect for the environment of the slopes.

Bottom row; Barbara Bell, Cheryl Ruthenbeck, Mariann Shanks, Beth Bernard. Middle row; Carol Blake, Bonnie Warnke, Lori Ruthenbeck, Ms. Joan Heeter. Top row; Lorinda Vandenburghe, Cheryl Seaman.

G.R.A. Sponsors Sports

Girls' Recreation Association, commonly known as GRA, have had as their goals the sponsorship and encouragement of girls' sports, the promotion of good sportsmanship in all athletics, and the promotion of girls' intramurals and interscholastic teams.

GRA is open to all girls of Gladstone High School who show an active interest in sports and recreational activities. A new club called Lettergirls was organized this year by all girls who have received a varsity letter in sports. Next year this club hopes to be very active in conjunction with the Letterman Club.

Officers of GRA are Lori Ruthenbeck, president; Cheryl Seaman, vice-president; Mariann Shanks, secretary; and Mary Jane Forsberg, activities chairman.

ABOVE: Bottom row; Lori Ruthenbeck, Kathy Dean, Donna Zellner, Julie Sirpless, Kathleen Ellis, Pam Harvey, Terri Fluharty, Mariann Shanks, Barbara Bell. F.L.C. Samples Other Cultures

Starting the year off with a bang, the Foreign Language Club held a potluck consisting of many foreign dishes such as tacos, French apple pie and spaghetti. As the year progressed, the club participated in such activities as sampling the cuisine of foreign restaurants and holding the annual Mai Fest.

The members of F.L.C. are all in, or have taken a foreign language and show an active interest in other cultures. This year the club interest was very high so F.L.C. had one of the largest club memberships at G.H.S.

The officers for 73-74 were Susie Johnson, president; Jack Glubrecht, vice-president; Jack Johns, secretary; Cara Nardin, treasurer; Cheryl Seaman, activities chairman. The faculty advisors are Mr. Dick Havens and Mrs. Marilyn Fleming.

F.T.A. Aids Teachers

Assisting teachers at the Grade School and Middle School and taking field trips to various schools of education were the main activities for the Future Teachers of America.

The only requirement for membership is an interest in helping people learn. The clubs' goal is to develop student interest in the teaching profession and to promote better education.

The officers for 73-74 were Cheryl Seaman, president; Mike Johns, vice-president; Roxy Nealeigh, secretary; and Terry Fluharty, treasurer. Faculty advisors are Mr. James Powell and Mrs. Janice Harwood.

According to Mrs. Harwood, "The members have not been as active this year as they have been in years past, but this is because they are busy with many other activities as well. We hope that next year participation will increase."

Princeps, Letterman Aid Community

The Princeps club is a service organization made up of boys interested in helping the school and community. The club members are upstanding male students that have been nominated by the Princeps.

The club is active around the school with such activities as keeping up the Dierickx memorial and picking up after the bonfire. They have also done such things as going on an ecology drive.

The officers for 73-74 were Mike McKay, president; Al Hargrave, vice-president; Rob Walker, secretary; and Dave Mower, treasurer.

The new faculty advisor is Mr. Ted Brown who came to Gladstone from Wisconsin to replace Mr. Kit Youngren in the Industrial Arts department.

To be admitted to lettermen club, the only requirement is one varsity letter in any sport. The club aids the school in most sports related activities. Lettermen honor a senior at graduation with a scholarship.

This year's major money making project was to sell candy bars. Money from this went towards the purchasing of a video-tape machine.

Officers for this year include Rob Walker-President, Pat Miller-Vice-President, and Richard Holliman Secretary.

Best of Lot

There are four important considerations that are looked at when someone is going to be choosen to be a member of National Honor Society. The first consideration is that you have a 3.00 G.P.A. You must also have leadership ability, good character, and have worked in school projects.

The percentage of each class in the National Honor Society each year is: fifteen per cent of the seniors, ten per cent of the junior class and five per cent of the sophomore class.

The Officers this last year were Jack Glubrecht President, Colleen Guido Vice President, Susan Wills Secretary, Leslie Ziegler Treasurer. The advisors are Mrs. Vonda Biorn and Mr. Richard Havens.

FIRST ROW: Cathy Meyers, Diane Coley, Sandra Hanson, Debbie Smith, Suene Fisher, Terri Warnke, Sue Wills, Karen Streight, Lori Ruthenbeck, Rob Walker. Classes

There are many friends in this place,
Of all kinds of creeds, religions, and race.
Even though this is a school,
We are all together, ain't that cool?

Frosh Make Up Court of Dance

Leading the freshman class this year were Rick Marlow, president; Sue Chaffe, vice-president; Pam Huddleston, secretary; Joyce Schniable, treasurer; and Mike Funk, sergeant at arms.

This years freshman sponsored the Christmas Dance, the first in quite a while. "High Waters" played and there was a visit from Santa Claus.

Freshmen make up the court for this first dance of the year. This year the court members were Becky Puderbaugh, Lori Carrole, Theresa Oberson, Pam Huddleston, Katrina Wilson, Gerry Remphrey, Chris Webster, James Hess, Mike Funk, and Mark Bardsley. The king and queen were James Hess and Becky Puderbaugh.

The class of '77 is also considering a bake sale and car wash to raise money for their class.

Soph.'s Introduce "Harmony Road"

The sophomore class was led this year by Bob Delair, president; Sue Campbell; vice-president; and Jo Dee Rademacher, secretary.

The sophomore class sponsored a dance this year which featured the popular band called "Harmony Road". The theme for the dance was "October Rain". The "Souper Bowl" theme for Spirit Week earned the sophomores a third place spot in overall competition. Lula Arellano represented her class as spirit princess. The sophomores were also active in homecoming and put up a tough fight in the tug of war.

Although the sophomores were not overly active this year, they are saving their energies for next year when they will sponsor Gladstone's seventh junior prom. They hope to close out the year with some money making activities.

Juniors Have a Successful Year

Heading the Junior class for the year 1973-74 were President Dave Neerman, Vice-President Pam Harvey, Secretary Susie Vinson, Treasurer Cheryl Campbell, and Sergeant at Arms Bob Bryant.

The Juniors were busy this year with many things including the annual Incense and Peppermint Dance, and a spaghetti feed before the Homecoming game to raise money for the prom. A car wash was held and there is tentative planning for a bake sale also. The main junior activity is the Prom which is held in the Spring and really finishes up the junior year.

The junior's also put up a good fight for Spirit Week coming in a close second to the seniors. The theme for the Junior Class Spirit Week was "Spirit Keeps Gladstone Ticking and Victory Makes It Ring."

Head Advisor for the junior class, Mrs. Carol Costi, expects this year's prom to be one of the best ever. The prom will be held at the new Ramada Inn in downtown Portland.

Homecoming Revived

The senior class of 1974 had a very enjoyable and profitable year.

Reviving Homecoming was the main accomplishment of the class. Changing old plans, a greaser day was added. Students dressed in the styles of the 50's and danced to old music during the lunch hour. The seniors also sponsored the Homecoming dance.

With the approach of Spirit Week, the seniors combined their efforts and claimed most events, placing their princess, Gay Candee on the throne.

Despite their size, the senior class still played an important role in the leadership of the school.

Officers for the class of 1974 included Jack Glubrecht, president; Jerry King, Vice-president; Mel White, secretary; Gayle Fisher, treasurer; and Keith Mecklem, Sergeant at Arms.

Left to Right: Jack Glubrecht, president; Gayle Fisher, treasurer; Keith Mecklem, sergeant at arms; Mel White, secretary; and Jerry King, vice president.

Class Day

Class Day assembly is a traditional event for awarding honors to outstanding students, and for recognizing the seniors last day.

Special recognition was paid this year to Gladstone's first High-Q team. The team consisted of Bo Reitz, Jon Wong, Cathy Meyer, and Pat Meyer. The team placed second in state, thanks to the coaching efforts of Miss Bain.

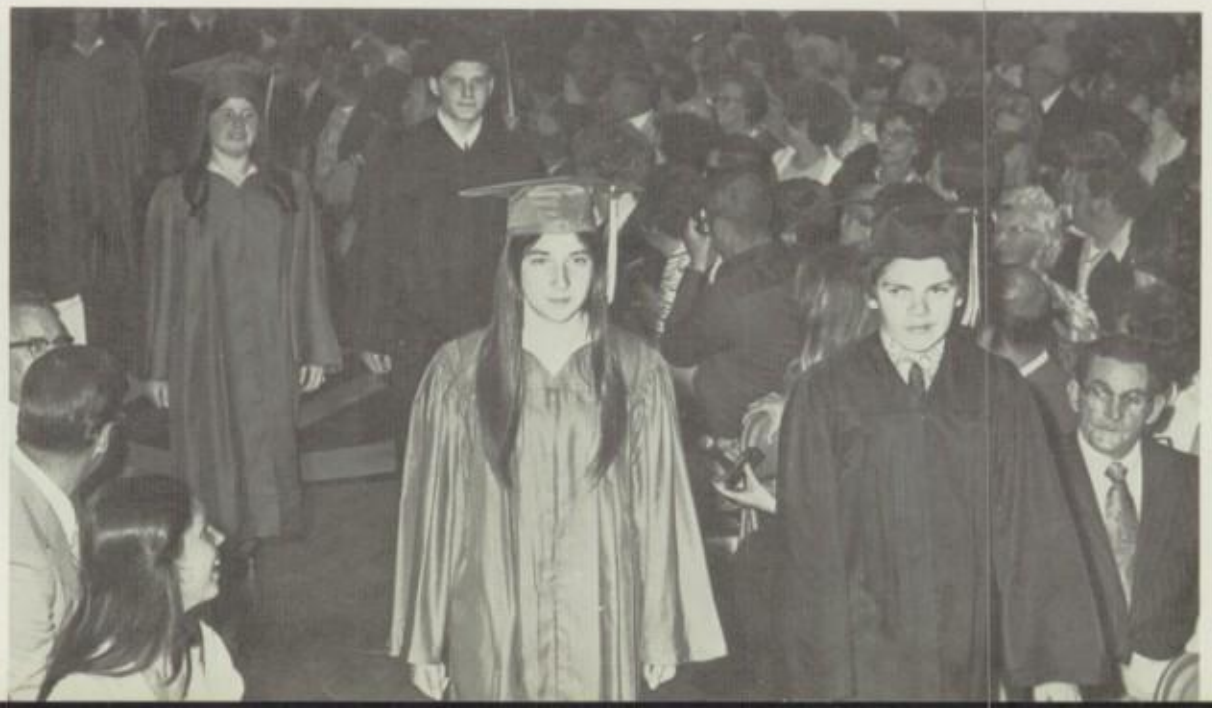
HIGH SCHOOL



Who's in charge of who?

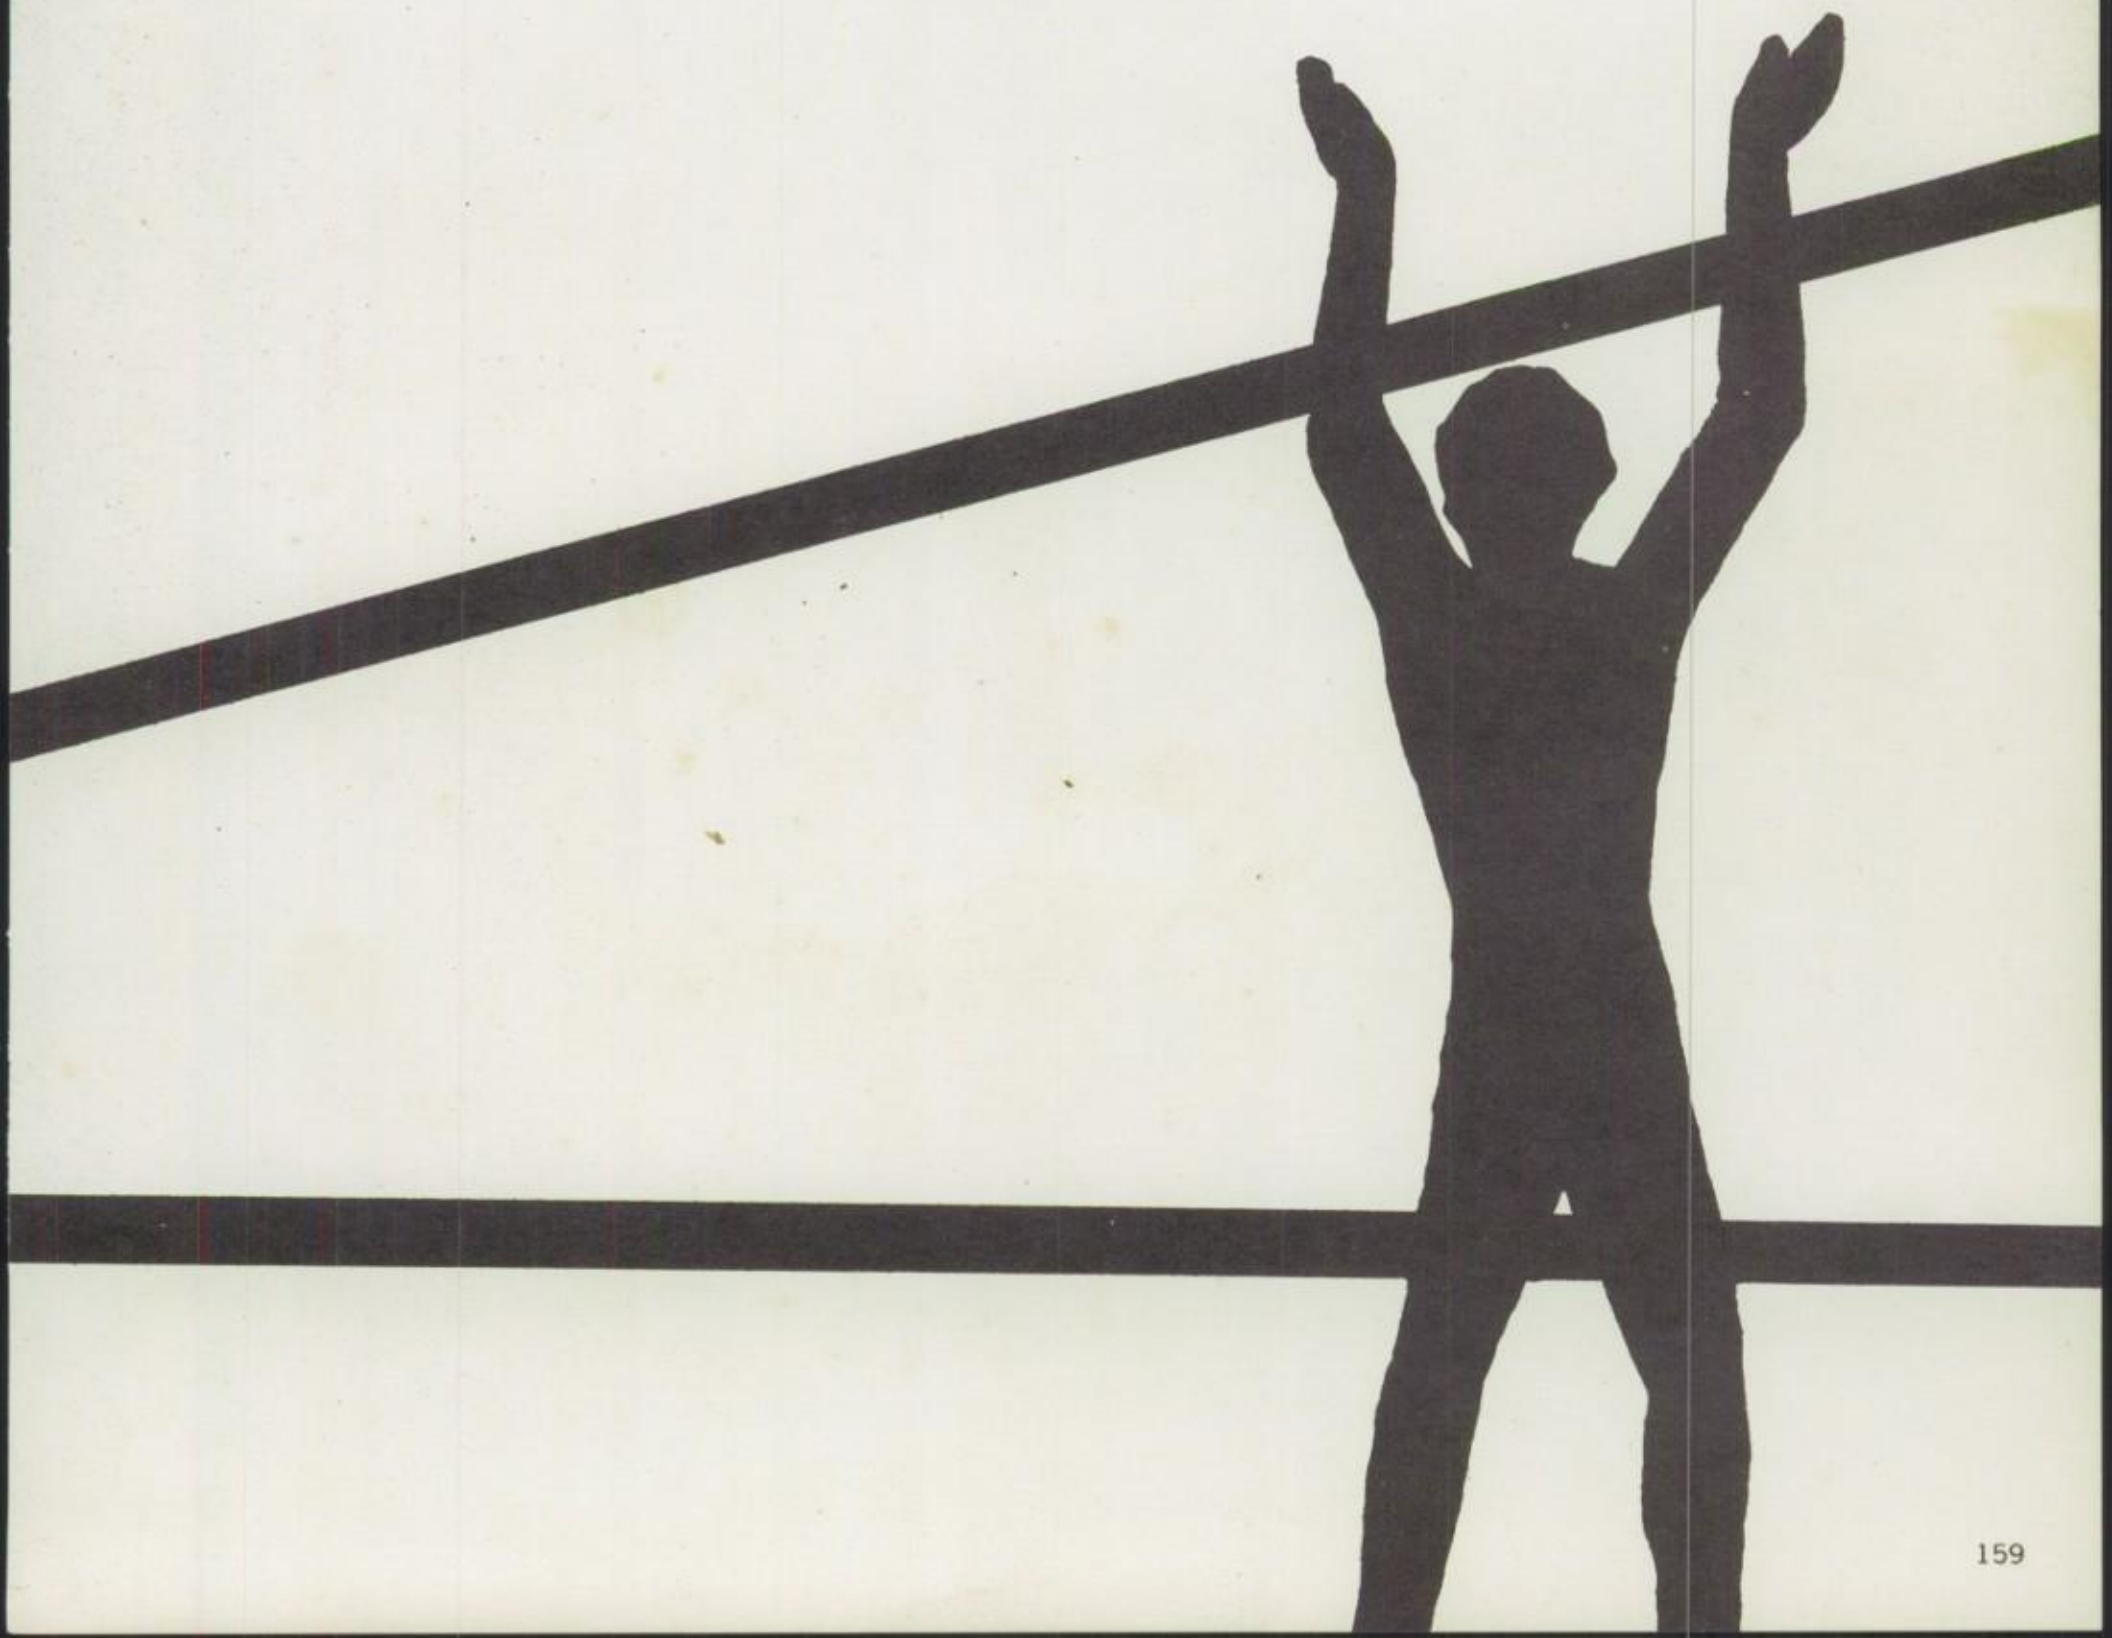
Romp and stomp and tromp through the zoo, that is what the senior Marriage and Family class did on May 16, 1974. The class, along with their "adopted children" went to the zoo to experience a few hours of "family life."

A few of the various comments during the day were: "Would you PLEASE slow down and wait for us old folks," "No, you can't get any closer to the bears," and last, but not least . . . "I'm hungry!"

Graduation

The time has come to say goodbye
To school and friends and times we've had.
The time has come to look back and try
To remember the good and not the bad.

Jack Glubrecht



Why did I run so fast to end something I wanted to last forever?

Class of '74

"Don't look away from the world. Give yourself to it." On May 30th the Class of 1974 left twelve years of formal education behind to face the new possibilities.

Leading the goodbye to high school was class valedictorian, Colleen Guido. Although high school meant tests, homework, and regular schedules, it also meant something different. A valuable lesson was learned in school, that could be used in later life. It was that to work and get along with people and realize that people are different is the whole purpose of high school.

The Class of '74 was the first class to graduate from the Walter L. Kraxberger middle school. Mr. Kraxberger was present for graduation. They were the last class to graduate from the original high school. The class gift to the school was a bronze seal that will be placed in the wall of the new auditorium. It was the first class gift to be completed upon graduation, and was presented during Commencement by class President, Jack Glubrecht.

Chosen as Honorary Seniors from the administration were Mr. Richard Havens and Mr. Dick Garrett. From the community Mayor Robert McGinnis was selected.

Voted by the class as Most Outstanding Boy and Girl, were Jack Glubrecht, and Terri Campbell.

Speakers for the class included Jonathan Wong, David Matile, and Terri Campbell. The Invocation was presented by James Nicodemus, and the Benediction by Jerry King. The class Salutatorian was Paula Morrow, with her speech- The past cannot be changed; the future is still in our power. "To be, become, and end are beautiful."
